Great-West Lifeco reports second quarter 2014 results

Winnipeg, August 6, 2014 ... Great-West Lifeco Inc. (Lifeco) has reported net earnings attributable to common shareholders of \$615 million or \$0.616 per common share for the three months ended June 30, 2014 compared to \$521 million or \$0.548 per common share for the same period in 2013, an increase of 18%. Net earnings for the second quarter of 2014 include \$8 million of Irish Life Group Limited (Irish Life) related restructuring costs. Excluding these costs earnings per common share were \$0.624.

For the six months ended June 30, 2014, net earnings attributable to common shareholders were \$1,202 million, compared to \$1,038 million a year ago. This represents \$1.203 per common share for the six months ended June 30, 2014, compared to \$1.092 per common share for the same period in 2013. Net earnings for the six months ended June 30, 2014, include \$13 million of Irish Life related restructuring costs. Excluding these costs earnings per common share were \$1.216.

Consolidated assets under administration at June 30, 2014 grew to \$805 billion, compared to \$758 billion at December 31, 2013.

Highlights – In Quarter

- Lifeco premiums and deposits during the quarter were \$20.4 billion, up 33% from a year ago, including \$2.4 billion from Irish Life Group Limited (Irish Life), reflecting continued strong persistency and growth.
- Total Company sales in the second quarter of 2014 were up 30% compared to the same period in 2013:
 - Canada sales were \$2.9 billion, up 14%, reflecting a 19% increase in Individual Life insurance sales and a 14% increase in Individual Wealth Management sales.
 - Europe Insurance & Annuities sales were \$2.8 billion, up 217%, including sales of \$2.1 billion from Irish Life.
 - Putnam sales were US\$7.4 billion, up 16% overall, which reflects a 43% increase in mutual fund sales.
 - Great-West Financial sales were US\$2.2 billion, down 10%, as sales momentum gained in first quarter 2014 slowed somewhat in the Retirement Services market. Sales in Individual Markets were strong with a 68% increase year over year.
- Irish Life contributed \$57 million of net earnings to Lifeco in the second quarter of 2014, up from \$52 million in the first quarter of 2014.
- The Company maintained a strong ROE of 15.8% based on net earnings. ROE based on adjusted operating
 earnings was 15.0%, which excludes the impact of Irish Life related restructuring and acquisition costs and
 certain litigation provisions.
- The Company's capital position remained very strong. The Great-West Life Assurance Company, Lifeco's major operating subsidiary, reported a Minimum Continuing Capital and Surplus Requirements (MCCSR) ratio of 228% at June 30, 2014.
- The Company declared a quarterly common dividend of \$0.3075 per common share payable September 30, 2014.

OPERATING RESULTS

Consolidated net earnings of Lifeco include the net earnings of The Great-West Life Assurance Company (Great-West Life) and its operating subsidiaries London Life Insurance Company (London Life) and The Canada Life Assurance Company (Canada Life); Great-West Life & Annuity Insurance Company (Great-West Financial), and Putnam Investments, LLC (Putnam), together with Lifeco's Corporate operating results.

CANADA

The Canada segment of Lifeco includes the operating results of the Canadian businesses operated by Great-West Life, London Life and Canada Life. The three primary business units included in this segment are Individual Insurance, Wealth Management and Group Insurance. The Company provides accumulation, annuity, life, disability and critical illness insurance products to individual and group clients.

Net earnings attributable to common shareholders for the second quarter of 2014 were \$304 million, up 8% compared to \$281 million in the second quarter of 2013. For the six months ended June 30, 2014 net earnings attributable to common shareholders were \$598 million compared to \$546 million for the same period in 2013.

Total sales in the second quarter of 2014 were \$2.9 billion, compared to \$2.5 billion in the second quarter of 2013. This reflects strong growth in Individual Insurance sales of 16% and Wealth Management sales of 15%, partially offset by lower Group Insurance sales. Total sales for the six months ended June 30, 2014 were \$6.1 billion compared to \$5.6 billion in 2013.

Total Canada segment assets under administration at June 30, 2014 were \$157 billion, compared to \$149 billion at December 31, 2013.

UNITED STATES

The United States operating results for Lifeco include the results of Great-West Financial, Putnam and the insurance businesses in the United States branches of Great-West Life and Canada Life, together with an allocation of a portion of Lifeco's corporate results.

Great-West Financial provides an array of financial security products, including employer-sponsored defined contribution plans, administrative and record-keeping services, fund management and investment and advisory services. It also provides individual retirement accounts, life insurance and annuity products and executive benefits products. Putnam provides investment management, certain administrative functions, distributions and related services through a broad range of investment products.

Net earnings attributable to common shareholders for the second quarter of 2014 were \$69 million compared to \$73 million in the second quarter of 2013. Great-West Financial reported net earnings of \$78 million in the second quarter compared to \$87 million for the same period last year. Putnam reported a net loss of \$9 million in the second quarter compared to a net loss of \$14 million a year ago. For the six months ended June 30, 2014 net earnings attributable to common shareholders were \$110 million compared to \$144 million in 2013.

Great-West Financial sales in the second quarter of 2014 were US\$2.2 billion, down from US\$2.5 billion in the second quarter of 2013 due to lower sales in Retirement Services. This decrease was partially offset with strong growth in Individual Markets primarily due to higher executive benefit, retail bank, and IRA sales. Sales for the six months ended June 30, 2014 were US\$5.1 billion compared to US\$5.0 billion in 2013.

Putnam assets under management as at June 30, 2014 were US\$158.6 billion compared to US\$133.7 billion a year ago, an increase of 19%. Net asset inflows for the second quarter of 2014 were US\$0.2 billion compared to net asset outflows of US\$0.4 billion for the same period in 2013, driven by mutual fund net inflows of US\$1.7 billion, an increase of US\$1.6 billion compared to the same period in 2013.

Total United States segment assets under administration at June 30, 2014 were \$447 billion compared to \$421 billion at December 31, 2013.

EUROPE

The Europe segment comprises two distinct business units: Insurance & Annuities and Reinsurance, together with an allocation of Lifeco's corporate results. Insurance & Annuities provides protection and wealth management products including payout annuities, through subsidiaries of Canada Life in the U.K., Isle of Man and Germany, and through Irish Life in Ireland. Reinsurance operates primarily in the U.S., Barbados and Ireland, and is conducted through Canada Life, London Life and their subsidiaries.

Net earnings attributable to common shareholders for the second quarter of 2014 were \$246 million compared to \$178 million a year ago. Irish Life's contribution to in-quarter net earnings was \$57 million. Restructuring costs related to the ongoing integration of Irish Life were \$8 million in-quarter. Second quarter 2013 net earnings include Irish Life acquisition related costs of \$10 million. For the six months ended June 30, 2014 net earnings attributable to common shareholders were \$505 million compared to \$370 million for the same period in 2013. On a year-to-date basis, net earnings in 2014 include a contribution from Irish Life of \$109 million and \$13 million of restructuring costs related to the ongoing integration of Irish Life. For the six months ended June 30, 2013, net earnings include Irish Life acquisition related costs of \$14 million.

Insurance & Annuities sales for the second quarter of 2014 were \$2.8 billion, including \$2.1 billion related to Irish Life, up 217% as compared to \$889 million a year ago. Total sales for the six months ended June 30, 2014 were \$6.3 billion, including \$4.7 billion related to Irish Life, compared to \$1.9 billion for the same period in 2013.

Total Europe segment assets under administration at June 30, 2014 were \$201 billion, up from \$188 billion at December 31, 2013.

LIFECO CORPORATE

The Lifeco Corporate segment includes operating results for activities of Lifeco that are not associated with the major business units of the Company.

Net earnings in the Lifeco Corporate segment attributable to common shareholders were a net loss of \$4 million in the second quarter of 2014 compared to a net loss of \$11 million in the second quarter of 2013. For the six months ended June 30, 2014 net earnings attributable to common shareholders was a net loss of \$11 million compared to a net loss of \$22 million for the same period in 2013.

Cautionary note regarding Forward-Looking Information

This release contains some forward-looking statements about the Company, including its business operations, strategy and expected financial performance and condition. Forward-looking statements include statements that are predictive in nature, depend upon or refer to future events or conditions, or include words such as "expects", "anticipates", "intends", "plans", "believes", "estimates" and similar expressions or negative versions thereof. In addition, any statement that may be made concerning future financial performance (including revenues, earnings or growth rates), ongoing business strategies or prospects, and possible future actions by the Company, including statements made with respect to the expected benefits of acquisitions and divestitures, are also forward-looking statements. Forward-looking statements are based on expectations and projections about future events that were current at the time of the statements and are inherently subject to, among other things, risks, uncertainties and assumptions about the Company, economic factors and the financial services industry generally, including the insurance and mutual fund industries. They are not guarantees of future performance, and actual events and results could differ materially from those expressed or implied by forward-looking statements. Material factors and assumptions that were applied in formulating the forward-looking information contained herein include the assumption that the business and economic conditions affecting the Company's operations will continue substantially in their current state, including, without limitation, with respect to market prices for products provided, sales levels, premium income, fee income, expense levels, mortality experience, morbidity experience, policy lapse rates, taxes, inflation, information systems, general economic, political and market factors in North America and internationally, interest and foreign exchange rates, global equity and capital markets, business competition, continuity and availability of personnel and third party service providers, the Company's ability to complete strategic transactions and integrate acquisitions and that there will be no unplanned material changes to the Company's facilities, customer and employee relations or credit arrangements. Many of these assumptions are based on factors and events that are not within the control of the Company and there is no assurance that they will prove to be correct. Other important factors and assumptions that could cause actual results to differ materially from those contained in forward-looking statements include technological change, investment values, payments required under investment products, reinsurance, changes in local and international laws and regulations, changes in accounting policies and the effect of applying future accounting policy changes, unexpected judicial or regulatory proceedings and catastrophic events. The reader is cautioned that the foregoing list of assumptions and factors is not exhaustive, and there may be other factors listed in other filings with securities regulators, including factors set out in the Company's 2013 Annual Management Discussion & Analysis (MD&A) under "Risk Management and Control Practices" and "Summary of Critical Accounting Estimates", which, along with other filings, is available for review at www.sedar.com. The reader is also cautioned to consider these and other factors carefully and not to place undue reliance on forward-looking statements. Other than as specifically required by applicable law, the Company does not intend to update any forward-looking statements whether as a result of new information, future events or otherwise.

Cautionary note regarding Non-IFRS Financial Measures

This release contains some non-IFRS financial measures. Terms by which non-IFRS financial measures are identified include, but are not limited to, "operating earnings", "constant currency basis", "premiums and deposits", "sales", and other similar expressions. Non-IFRS financial measures are used to provide management and investors with additional measures of performance. However, non-IFRS financial measures do not have standard meanings prescribed by IFRS and are not directly comparable to similar measures used by other companies. Please refer to the appropriate reconciliations of these non-IFRS financial measures to measures prescribed by IFRS.
