The initial dividend, if declared, will be payable on June 30, 2012 and will be \$0.47712 per share, assuming a closing date of February 22, 2012.

If the Board of Directors does not declare any dividend, or any part thereof, on the Series P First Preferred Shares on or before the dividend payment date for a particular quarter, then the entitlement of the holders of the Series P First Preferred Shares to receive such dividend, or to any part thereof, for such quarter will be forever extinguished.

The Corporation shall provide not less than 30 nor more than 60 days’ notice of such redemption to each holder of Series P First Preferred Shares to be redeemed. If less than all of the outstanding Series P First Preferred Shares are at any time to be redeemed, the shares to be redeemed will be selected by lot or pro rata (disregarding fractions) or in such manner as the Corporation may determine.

##### ***Purchase for Cancellation***

Subject to the provisions described below under the heading “Restrictions on Dividends on and Retirement of Other Shares”, and subject to the provisions of any shares of the Corporation ranking prior to or pari passu with the First Preferred Shares of the Corporation, Great-West Lifeco may at any time purchase for cancellation any Series P First Preferred Share by private contract or in the open market or by tender, at the lowest price or prices at which in the opinion of the Board of Directors such shares are obtainable.

unless all cumulative dividends then accrued and unpaid up to and including the most recent applicable dividend payment date for the last completed period for which dividends were payable shall have been declared and paid or set apart for payment in respect of each series of cumulative First Preferred Shares, if any, then issued and outstanding and on all other cumulative shares, if any, ranking *pari passu* with the First Preferred Shares and the dividends for the immediately preceding dividend payment period in respect of each series of non-cumulative First Preferred Shares (including the Series P First Preferred Shares) then issued and outstanding and on all other shares ranking prior to or *pari passu* with the Series P First Preferred Shares shall have been declared and paid or monies set aside for payment thereof.

Upon the termination of the Temporary Period as described in the Prospectus under “Description of First Preferred Shares — Temporary Rights and Obligations”, the holders of the Series P First Preferred Shares shall not be entitled to notice of or to attend or to vote at any meeting of the shareholders of the Corporation unless and until the Corporation shall at any time have failed to declare and pay the whole amount of a quarterly dividend on the Series P First Preferred Shares. On any such vote, holders of Series P First Preferred Shares will be entitled to one vote per share, provided that if the shares of any other series of First Preferred Shares have a retraction, redemption or issue price less than the redemption price of the Series P First Preferred Shares, the number of votes per Series P First Preferred Share will be adjusted *pro rata*.

### ***Rights on Liquidation***

In the event of the liquidation, dissolution or winding-up of the Corporation or other distribution of the assets of the Corporation among its shareholders for the purpose of winding-up its affairs, whether voluntary or involuntary, subject to the prior satisfaction of the claims of all creditors of the Corporation and of holders of shares of the Corporation ranking prior to the Series P First Preferred Shares, the holders of the Series P First Preferred Shares shall be entitled to be paid and to receive an amount equal to \$25.00 per Series P First Preferred Share plus declared and unpaid dividends up to and including the date of distribution before any amount shall be paid or any assets of the Corporation shall be distributed to the holders of Common Shares or of shares of any other class of the Corporation ranking junior to the Series P First Preferred Shares. After payment to the holders of the Series P First Preferred Shares of the amount so payable to them, they shall not be entitled to share in any further distribution of the property or assets of the Corporation.

### ***Modification of Series***

Approval of variations to the provisions of the Series P First Preferred Shares as a series and any other authorization required to be given by the holders of such shares as a series may be given by a resolution passed by an affirmative vote of not less than two-thirds of the votes cast at a general meeting of the holders of Series P First Preferred Shares duly called for such purpose and held upon at least 21 days' notice at which the holders of a majority of the outstanding shares of such series are present in person or represented by duly qualified proxy or, if no quorum is present at such meeting, at an adjourned meeting at which the holders of Series P First Preferred Shares then present in person or represented by proxy will form the necessary quorum. On any vote held in respect of such a resolution, holders of Series P First Preferred Shares will be entitled to one vote per share.

### **Certain Canadian Federal Income Tax Considerations**

In the opinion of Blake, Cassels & Graydon LLP, counsel to Great-West Lifeco, and Stikeman Elliott LLP, counsel to the Underwriters, the following is a summary of the principal Canadian federal income tax considerations generally applicable to a purchaser of Series P First Preferred Shares pursuant to this Prospectus Supplement (a "Holder") who, for purposes of the Tax Act and at all relevant times, is or is deemed to be a resident of Canada, deals at arm's length and is not affiliated with Great-West Lifeco and holds Series P First Preferred Shares as capital property. Generally, the Series P First Preferred Shares will be capital property to a holder provided the holder does not acquire or hold such shares in the course of carrying on a business or as part of an adventure or concern in the nature of trade. This summary is not applicable to a Holder that is a "financial institution" for purposes of the "mark to market property" rules in the Tax Act or a "specified financial institution" (as defined in the Tax Act), nor does it apply to a Holder an interest in which is a "tax shelter investment" (as defined in the Tax Act) or to a Holder which has made a "functional currency" election under the Tax Act to determine its Canadian tax results in a currency

other than Canadian currency. Such Holders are advised to consult with their own tax advisors. This summary assumes that the Series P First Preferred Shares will be listed on a designated stock exchange in Canada (which currently includes the TSX) at all relevant times.

**This summary is of a general nature only and is not intended to be, nor should it be construed to be, legal or tax advice to any particular purchaser and no representations with respect to the income tax consequence to any particular purchaser are made. Accordingly, prospective purchasers should consult their own tax advisors with respect to their particular circumstances.**

This summary is based upon the current provisions of the Tax Act, all specific proposals to amend the Tax Act publicly announced by or on behalf of the Minister of Finance prior to the date hereof (the “Proposals”) and counsel’s understanding of the current administrative policies and assessing practices of the Canada Revenue Agency made publicly available prior to the date hereof. No assurances can be given that the Proposals will be enacted as proposed, or at all. This summary does not otherwise take into account or anticipate any change in law or administrative policies or assessing practices, whether by legislative, governmental or judicial decision or action, nor does it take into account or consider any provincial, territorial or foreign tax legislation or considerations.

### ***Dividends***

Dividends (including deemed dividends) received on the Series P First Preferred Shares by an individual will be included in the individual’s income and generally will be subject to the gross-up and dividend tax credit rules normally applicable to taxable dividends received from taxable Canadian corporations, including the enhanced dividend gross-up and dividend tax credit with respect to any dividends (including deemed dividends) designated by Great-West Lifeco as “eligible dividends” in accordance with the Tax Act.

Dividends (including deemed dividends) received on the Series P First Preferred Shares by a corporation will be included in computing the corporation’s income and will generally be deductible in computing the taxable income of the corporation.

The Series P First Preferred Shares are “taxable preferred shares” as defined in the Tax Act. The terms of the Series P First Preferred Shares require Great-West Lifeco to make the necessary election under Part VI.1 of the Tax Act so that a corporation holding Series P First Preferred Shares will not be subject to tax under Part IV.1 of the Tax Act on dividends received (or deemed to be received) on the Series P First Preferred Shares.

Dividends received by an individual (including certain trusts) may give rise to a liability for alternative minimum tax.

A “private corporation”, as defined in the Tax Act, or any other corporation controlled (whether by reason of a beneficial interest in one or more trusts or otherwise) by or for the benefit of an individual (other than a trust) or a related group of individuals (other than trusts), will generally be liable to pay refundable tax under Part IV of the Tax Act of 33<sup>1</sup>/<sub>3</sub>% of dividends received (or deemed to be received) on the Series P First Preferred Shares to the extent such dividends are deductible in computing its taxable income.

### ***Dispositions***

A Holder who disposes of or is deemed to dispose of a Series P First Preferred Share (either on redemption of the Series P First Preferred Share for cash or otherwise) will generally realize a capital gain (or sustain a capital loss) to the extent that the proceeds of disposition, net of any reasonable costs of disposition, exceed (or are less than) the adjusted cost base of such share to such Holder. The amount of any deemed dividend arising on the redemption or acquisition by Great-West Lifeco of a Series P First Preferred Share will generally not be included in computing the proceeds of disposition to the Holder for purposes of computing the capital gain or capital loss arising on the disposition of the Series P First Preferred Share. See “Redemption” below. If the Holder is a corporation, any capital loss arising on the disposition of a Series P First Preferred Share may, in certain circumstances, be reduced by the amount of any dividends, including deemed dividends, which have been received on the Series P First Preferred

Share or on any share which was converted into or exchanged for such share. Analogous rules apply to a partnership or trust of which a corporation, trust or partnership is a member or beneficiary.

Generally, one-half of any capital gain will be included in computing the Holder's income as a taxable capital gain. One-half of any capital loss may be deducted from the Holder's taxable capital gains subject to and in accordance with the rules contained in the Tax Act. Capital gains realized by an individual (including certain trusts) may give rise to liability for alternative minimum tax under the Tax Act. An amount in respect of taxable capital gains of a Canadian-controlled private corporation, as defined in the Tax Act, may be subject to an additional refundable tax of  $6\frac{2}{3}\%$ .

### **Redemption**

If Great-West Lifeco redeems for cash or otherwise acquires a Series P First Preferred Share, other than by a purchase in the open market in the manner in which shares are normally purchased by a member of the public in the open market, the Holder will be deemed to have received a dividend equal to the amount, if any, paid by Great-West Lifeco, including any redemption premium, in excess of the paid-up capital (as determined for purposes of the Tax Act) of such share at such time. Generally, the proceeds of disposition for purposes of computing the capital gain or capital loss arising on the disposition of such share will be equal to the amount paid by Great-West Lifeco on redemption or acquisition of such share, including any redemption premium, less the amount of the deemed dividend, if any. In the case of a corporate shareholder, it is possible that in certain circumstances all or part of the deemed dividend may be treated as proceeds of disposition and not as a dividend.

### **Earnings Coverage Ratios**

The Corporation's annualized dividend requirements on all its preferred shares, after giving effect to the issue of the Series P First Preferred Shares (adjusted to a pre-tax equivalent using an effective income tax rate of 17.0%), amounted to \$132.3 million for the 12 months ended December 31, 2011. The Corporation's annualized interest requirements on its short and long-term debt amounted to \$286.3 million.

The Corporation's net earnings before interest on short and long-term debt and income tax for the 12 months ended December 31, 2011 was \$2,871.4 million, which is 6.9 times the Corporation's aggregate adjusted annualized dividend and interest requirements.

### **Ratings**

The Series P First Preferred Shares have been given a preliminary rating of Pfd-1(low) with a Stable trend by DBRS Limited ("DBRS") and a Canadian Preferred Share rating of P-1(Low) and a Global Preferred Share rating of A- by Standard & Poor's Ratings Services ("S&P").

A Pfd-1 rating by DBRS is the highest of five categories granted by DBRS for preferred shares. According to DBRS, preferred shares rated Pfd-1 are of superior credit quality, and are supported by entities with strong earnings and balance sheet characteristics. A P-1 rating by S&P is the highest of the five categories used by S&P in its Canadian preferred share rating scale. Correspondingly, an A- rating is the fifth highest of twenty ratings used by S&P in its Global preferred share rating scale. According to S&P, a preferred share rating of A- indicates that the obligor's capacity to meet its financial commitment on the obligation is still strong, but is somewhat more susceptible to the adverse effects of changes in circumstances and economic conditions than higher rated categories. The "high" and "low" and "High", "Mid" and "Low" designations for DBRS and S&P, respectively, indicate relative strength within the rating category.

Prospective purchasers of the Series P First Preferred Shares should consult the rating organization with respect to the interpretation and implication of the foregoing provisional ratings. The foregoing ratings should not be construed as a recommendation to buy, sell or hold the Series P First Preferred Shares. Ratings may be revised or withdrawn at any time by the rating organization.

## Plan of Distribution

Under an underwriting agreement (the “Underwriting Agreement”) dated February 13, 2012 between the Corporation and the Underwriters, the Corporation has agreed to sell and the Underwriters have severally agreed to purchase, as principals, subject to compliance with all necessary legal requirements and to the terms and conditions contained therein, on February 22, 2012 or such other date not later than March 23, 2012 as may be agreed upon by the parties, all but not less than all of the 10,000,000 Series P First Preferred Shares at an aggregate price of \$250,000,000 payable in cash to the Corporation against delivery.

In consideration for their services in connection with this offering, the Corporation has agreed to pay the Underwriters a fee equal to \$0.25 per Series P First Preferred Share sold to certain exempt institutions and \$0.75 per share with respect to all other sales of Series P First Preferred Shares. Assuming that no Series P First Preferred Shares are sold to such institutions, the Underwriters’ fee will be \$7,500,000. All fees payable to the Underwriters will be paid on account of services rendered in connection with the issue and will be paid out of the proceeds of this offering.

The Underwriting Agreement provides that the Underwriters may, at their discretion, terminate their obligations thereunder upon the occurrence of certain stated events or if there should develop, occur or come into effect or existence any event, action, state, condition or major financial occurrence of national or international consequence, or any action, government law or regulation, inquiry or other occurrence of any nature whatsoever which materially adversely affects, or may in the reasonable opinion of the Underwriters be expected to materially adversely affect, Canadian financial or equity markets or the business, operations or affairs of the Corporation. The Underwriters are, however, obligated to take up and pay for all the Series P First Preferred Shares if any Series P First Preferred Shares are purchased under the Underwriting Agreement.

The Underwriters may not, throughout the period of distribution, bid for or purchase the Series P First Preferred Shares. The foregoing restriction is subject to certain exemptions, as long as the bid or purchase is not engaged in for the purpose of creating actual or apparent active trading in, or raising the price of, the Series P First Preferred Shares. These exceptions include a bid or purchase permitted under the Universal Market Integrity Rules administered by the Investment Industry Regulatory Organization of Canada relating to market stabilization and passive market-making activities and a bid or purchase made for and on behalf of a customer where the order was not solicited during the period of distribution. In connection with this offering, the Underwriters may over-allot or effect transactions which stabilize or maintain the market price of the Series P First Preferred Shares at a level above that which might otherwise prevail in the open market. Such transactions, if commenced, may be discontinued at any time.

The Underwriting Agreement provides that, without the prior written consent of BMO Nesbitt Burns Inc., RBC Dominion Securities Inc. and Scotia Capital Inc. on behalf of the Underwriters, the Corporation will not sell or announce its intention to sell, nor will the Corporation authorize or issue, or announce its intention to authorize or issue, any preferred shares or securities convertible or exchangeable for or into preferred shares other than the Series P First Preferred Shares during the period commencing on the date of the Underwriting Agreement and ending 45 days after the closing of the offering.

The Series P First Preferred Shares have not been and will not be registered under the *United States Securities Act of 1933*, as amended (the “U.S. Securities Act”), or any state securities laws and, subject to certain exemptions, may not be offered or sold within the United States or to U.S. persons. The distribution of this Prospectus Supplement and the offering and sale of the Series P First Preferred Shares are also subject to certain restrictions under the laws of certain other jurisdictions outside of Canada. Each Underwriter has agreed that it will not offer for sale or sell or deliver the Series P First Preferred Shares in any such jurisdiction except in accordance with the laws thereof.

The Underwriters propose to offer the Series P First Preferred Shares initially at the offering price specified on the cover page of this Prospectus Supplement. After the Underwriters have made a reasonable effort to sell all of the Series P First Preferred Shares at the price specified on the cover page, the offering price may be decreased and may be further changed from time to time to an amount not greater than that set out on the cover page, and the

compensation realized by the Underwriters will be decreased by the amount that the aggregate price paid by purchasers for the Series P First Preferred Shares is less than the price paid by the Underwriters to the Corporation.

The determination of the terms of the distribution, including the issue price of the Series P First Preferred Shares, was made through negotiations between the Corporation and the Underwriters.

Great-West Lifeco has applied to list the Series P First Preferred Shares on the TSX. Listing will be subject to the Corporation fulfilling all of the requirements of the TSX.

## **Risk Factors**

Before purchasing the Series P First Preferred Shares, investors should consider carefully the following risks in conjunction with the other information set out in the Prospectus and the documents incorporated by reference herein, in particular the disclosure under the heading “Risk Factors” in Great-West Lifeco’s Annual Information Form dated February 9, 2012, including documents incorporated by reference therein, and the Corporation’s Management’s Discussion and Analysis dated February 9, 2012 (specifically the “Risk Management and Control Practices” and “Summary of Critical Accounting Estimates”) which disclosure includes discussions concerning general insurance risks, interest rate risk, equity market risk, credit risk, liquidity risk, foreign exchange risk, risk relating to derivative instruments, operational risks, risk relating to ratings, risk relating to future acquisitions, legal and regulatory risk, reputational risk, risk relating to reinsurance, risk relating to support systems and customer service functions and environmental risk, and all subsequently filed documents incorporated by reference.

### **Risks Associated with Great-West Lifeco**

#### ***Holding Company Structure***

As a holding company, Great-West Lifeco’s ability to pay dividends and other operating expenses and to otherwise meet its obligations generally depends upon receipt of sufficient funds from its principal subsidiaries and its ability to raise additional capital. The likelihood that holders of Series P First Preferred Shares will receive dividends or other payments owing to them in connection with the Series P First Preferred Shares will be dependent upon the financial position and creditworthiness of Great-West Life, GWL&A, London Life, Canada Life and Putnam. In the event of the bankruptcy, liquidation or reorganization of any of these subsidiaries, policy liabilities of these subsidiaries will be completely provided for before any property or assets of such subsidiaries are made available for distribution to Great-West Lifeco; in addition, the other creditors of these subsidiaries will generally be entitled to the payment of their claims before any property or assets are made available for distribution to Great-West Lifeco except to the extent that Great-West Lifeco is recognized as a creditor of the relevant subsidiaries. Any payment by the principal subsidiaries (including payment of dividends and interest) is also subject to restrictions set forth in the insurance, securities and corporate laws and regulations (including the staged intervention powers of the Office of the Superintendent of Financial Institutions) which require that solvency and capital standards be maintained by Great-West Life, GWL&A, London Life, Canada Life and Putnam.

#### ***Insurance, Investment, Market and Operational Risk***

The businesses conducted by Great-West Lifeco’s principal subsidiaries are subject to risks including competition from other businesses, dependence on key personnel, claims risk, persistency (policy termination) risk, reliance on information technology systems, investment related risk, reinsurance risk and underwriting experience of morbidity, mortality and catastrophic risk.

#### ***Regulatory Risk***

The businesses of certain of Great-West Lifeco’s principal subsidiaries are subject to various regulatory requirements imposed by legislation and regulation in Canada, the United States, the United Kingdom and other jurisdictions applicable to insurance companies and companies providing financial services. These regulations are primarily intended to protect policyholders and beneficiaries, not shareholders. Material changes in the regulatory

framework or the failure to comply with regulatory requirements could have a material adverse effect on Great-West Lifeco.

### ***Impairment Testing on Goodwill and Intangibles***

IFRS principles require the Corporation to perform an impairment test on goodwill and intangible assets at least annually. The Corporation's intangible and goodwill balances relate primarily to its acquisitions of London Life, Canada Life and Putnam. It is not possible to determine the outcome of the impairment test for 2012 at this time.

### ***General Economic Conditions***

From time to time, the stock market experiences significant price and volume volatility that may affect the market price of the securities of the Corporation for reasons unrelated to Great-West Lifeco's performance. Unfavourable economic conditions may materially adversely affect the businesses of Great-West Lifeco's principal subsidiaries and, in turn, may materially adversely affect Great-West Lifeco and its financial condition.

### ***Risks Associated with the Series P First Preferred Shares***

The value of the Series P First Preferred Shares will be affected by the general creditworthiness of Great-West Lifeco. Great-West Lifeco's Management's Discussion and Analysis for the year ended December 31, 2011 is incorporated by reference in this Prospectus Supplement. These analyses discuss, among other things, known material trends and events, and risks or uncertainties that are reasonably expected to have a material effect on Great-West Lifeco's business, financial condition or results of operations. See also the discussion under "Earnings Coverage Ratios", which is relevant to an assessment of the risk that Great-West Lifeco will be unable to pay dividends on the Series P First Preferred Shares.

The market value of the Series P First Preferred Shares, as with other preferred shares, is expected to be primarily affected by changes (actual or anticipated) in prevailing interest rates and in the credit rating assigned to such shares. Great-West Lifeco may choose to redeem the Series P First Preferred Shares from time to time, in accordance with its rights described under "Details of the Offering — Certain Provisions of the Series P First Preferred Shares as a Series — Redemption by the Corporation", including when prevailing interest rates are lower than the yield borne by the Series P First Preferred Shares. If prevailing rates are lower at the time of redemption, a purchaser would not be able to reinvest the redemption proceeds in a comparable security at an effective yield as high as the yield on the Series P First Preferred Shares being redeemed. Great-West Lifeco's redemption right also may adversely impact a purchaser's ability to sell Series P First Preferred Shares as the optional redemption date approaches.

Real or anticipated changes in the credit rating of the Series P First Preferred Shares may also affect the cost at which Great-West Lifeco can transact or obtain funding, and thereby affect its liquidity, business, financial condition or results of operations. Assuming all other factors remain unchanged, the market value of the Series P First Preferred Shares would be expected to decline as prevailing yields for similar securities rise and would be expected to increase as prevailing yields for similar securities decline.

The Series P First Preferred Shares rank equally with other First Preferred Shares of Great-West Lifeco in the event of an insolvency or winding-up of Great-West Lifeco. If Great-West Lifeco becomes insolvent or is wound-up, Great-West Lifeco's assets must be used to pay debt, including subordinated debt, before payments may be made on the Series P First Preferred Shares and other preferred shares.

The Series P First Preferred Shares are non-cumulative and dividends are payable at the discretion of the Board of Directors. See "Details of the Offering" and "Earnings Coverage Ratios", which are relevant to an assessment of the risk that Great-West Lifeco will be unable to pay dividends on the Series P First Preferred Shares.

Great-West Lifeco has agreed that if Great-West Lifeco Finance (Delaware) LP or Great-West Lifeco Finance (Delaware) LP II elects to defer the payment of interest on its subordinated debentures, Great-West Lifeco will not,

during any such deferral period, declare or pay any dividends or distributions on or redeem, purchase, acquire, or make a liquidation payment with respect to, any of its shares, including the Series P First Preferred Shares.

Great-West Lifeco has agreed that if a distribution is not paid when due on any outstanding Great-West Life Trust Securities – Series A issued by Great-West Life Capital Trust, Great-West Lifeco will not pay dividends on its outstanding preferred or common shares, which would include the Series P First Preferred Shares, for a specified period of time unless the required distribution is paid to the holders of such trust securities.

The Series P First Preferred Shares do not have a fixed maturity date and are not redeemable at the option of the holders thereof. The ability of a holder to dispose of its holdings of Series P First Preferred Shares may be limited.

Stock market volatility may affect the market price of the Series P First Preferred Shares for reasons unrelated to Great-West Lifeco's performance.

There can be no assurance that an active trading market will develop for the Series P First Preferred Shares after the offering, or if developed, that such a market will be sustained at the offering price of the Series P First Preferred Shares.

### Caution Regarding Forward-Looking Information and Non-GAAP Financial Measures and Currency

This Prospectus and documents incorporated by reference contain forward-looking statements about Great-West Lifeco, including its business operations, strategy and expected financial performance and condition. Forward-looking statements include statements that are predictive in nature, depend upon or refer to future events or conditions, or include words such as “expects”, “anticipates”, “intends”, “plans”, “believes”, “estimates” and similar expressions or negative versions thereof. In addition, any statement that may be made concerning future financial performance (including revenues, earnings or growth rates), ongoing business strategies or prospects, and possible future action by Great-West Lifeco, including statements made by Great-West Lifeco with respect to the expected benefits of acquisitions or divestitures, are also forward-looking statements. Forward-looking statements are based on current expectations and projections about future events and are inherently subject to, among other things, risks, uncertainties and assumptions about Great-West Lifeco, economic factors and the financial services industry generally, including the insurance and mutual fund industries. They are not guarantees of future performance, and actual events and results could differ materially from those expressed or implied by forward-looking statements made by Great-West Lifeco due to, but not limited to, important factors such as sales levels, premium income, fee income, expense levels, mortality experience, morbidity experience, policy lapse rates, taxes, general economic, political and market factors in North America and internationally, interest and foreign exchange rates, global equity and capital markets, business competition, technological change, changes in government regulations, changes in accounting policies and the effect of applying future accounting policy changes, unexpected judicial or regulatory proceedings, catastrophic events, and Great-West Lifeco’s ability to complete strategic transactions and integrate acquisitions. The reader is cautioned that the foregoing list of important factors is not exhaustive, and there may be other factors listed herein and in other filings with securities regulators, including factors set out under “Risk Factors” in this Prospectus and under “Risk Management and Control Practices” and “Summary of Critical Accounting Estimates” in Great-West Lifeco’s Management’s Discussion and Analysis for the twelve months ended December 31, 2010, which, along with other filings, is available for review at [www.sedar.com](http://www.sedar.com). The reader is also cautioned to consider these and other factors carefully and not to place undue reliance on forward-looking statements. Other than as specifically required by applicable law, Great-West Lifeco does not intend to update any forward-looking statements whether as a result of new information, future events or otherwise.

This Prospectus and documents incorporated by reference may also contain non-GAAP financial measures. As of the date of this Prospectus, no Series K First Preferred Shares or Series O First Preferred Shares are outstanding, nor are any Class A Preferred Shares or Second Preferred Shares outstanding.

### **Description of First Preferred Shares**

The following sets forth certain general terms and provisions of the First Preferred Shares. The particular terms and provisions of a series of First Preferred Shares offered by a Prospectus Supplement, and the extent to which the general terms and provisions described below may apply thereto, will be described in such Prospectus Supplement. First Preferred Shares may be issued in fully registered form or in “book-entry only” form. See “Book-Entry Only Securities”.

#### **Certain Provisions of the First Preferred Shares as a Class**

##### ***Priority***

With respect to the payment of dividends and the distribution of assets in the event of the liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, or any other distribution of the assets of the Corporation among its shareholders for the purpose of winding-up its affairs, the First Preferred Shares of each series rank on a parity with the First Preferred Shares of every other series and with the Class A Preferred Shares and in priority to the Second Preferred Shares, the Common Shares and any other shares ranking junior to the First Preferred Shares. On such a distribution, the rights of the holders of the First Preferred Shares of each series will be subject to the prior satisfaction of all claims of all creditors of the Corporation and of holders of shares of the Corporation ranking prior to the First Preferred Shares.

##### ***Approval by First Preferred Shareholders***

In addition to any shareholder approvals required by applicable law, the approval of the holders of the First Preferred Shares as a class, given in the manner described under “Modification” below, is required to delete, add to or vary any right, privilege, preference, restriction or condition attaching to the First Preferred Shares as a class.

## ***Voting Rights***

Subject to the temporary voting rights discussed below, the holders of First Preferred Shares of any series shall not be entitled to notice of or to attend or to vote at any meeting of the Corporation or of its shareholders except as may be specifically provided in the provisions attaching to the First Preferred Shares of such series.

## ***Modification***

The approval of all deletions from or additions to or variations of the provisions of the First Preferred Shares as a class and any other approval required to be given by the holders of the First Preferred Shares may be given by a resolution passed by an affirmative vote of at least two-thirds of the votes cast at a general meeting of the holders of First Preferred Shares duly called for that purpose. On any vote held in respect of such a resolution, holders of First Preferred Shares will be entitled to one vote per share. The formalities to be observed in respect of the giving of notice of any such meeting or any adjourned meeting and the conduct thereof will be those from time to time prescribed by the *Canada Business Corporations Act* (as from time to time amended, varied or replaced) and the by-laws of the Corporation with respect to meetings of shareholders.

## ***Temporary Rights and Obligations***

Section 411 of the *Insurance Companies Act* (“ICA”) requires that certain insurance companies, including Great-West Life, have voting shares carrying at least 35% of the voting rights attached to all of the outstanding voting shares of the insurance company beneficially owned by persons other than a “major shareholder” of the company (or by an entity controlled by a major shareholder) (the “**Public Voting Requirement**”). The ICA provides that a person is a major shareholder of the company where (A) the aggregate of: (i) the shares of any class of voting shares beneficially owned by the person and (ii) the shares of any class of voting shares beneficially owned by entities controlled by the person, exceeds 20% of the outstanding shares of that class or (B) the aggregate of (i) the shares of any class of non-voting shares beneficially owned by the person and (ii) the shares of any class of non-voting shares beneficially owned by entities controlled by the person, exceeds 30% of the outstanding shares of that class.

As permitted by the ICA, the Public Voting Requirement applicable to Great-West Life has been satisfied by the Corporation through provisions in the Corporation’s articles relating to, among other things, the attachment of voting rights to the First Preferred Shares and constraints on the issue and transfer of the First Preferred Shares. Such provisions currently apply to the First Preferred Shares and will continue to apply until the earlier of the date that: (i) Great-West Life satisfies the Public Voting Requirement in some other manner; (ii) Great-West Life is not required to satisfy the Public Voting Requirement; or (iii) the Board of Directors of the Corporation determines that it is no longer in the best interests of the Corporation to satisfy the Public Voting Requirement, and the Board of Directors has thereafter removed such voting rights (such period of time, the “**Temporary Period**”). The temporary rights and obligations of the holders of First Preferred Shares during the Temporary Period are set out below.

## ***Temporary Voting Rights and Restrictions***

Holders of First Preferred Shares shall be entitled to receive notice of and to attend all meetings of holders of voting shares of the Corporation during the Temporary Period other than meetings of holders of a class or series of a class of shares at which such holders are entitled to vote separately as a class or series of a class. Each First Preferred Share, from time to time, shall carry that number of votes calculated based on a formula set out in the articles of the Corporation. The formula provides that the number of votes that can be cast by holders of Common Shares and holders of First Preferred Shares, who (i) do not hold a Significant Interest, for the purposes of the ICA, in the Common Shares as a class or in the First Preferred Shares as a class and (ii) are not controlled by a person who holds a Significant Interest in the Common Shares as a class or in the First Preferred Shares as a class, will equal 35% of the outstanding voting rights attached to all voting shares of the Corporation. Where, during the Temporary Period, First Preferred Shares are held by a person who has a Significant Interest in the First Preferred Shares as a class, or an entity controlled by such person owns any First Preferred Shares, the voting rights attached to the First Preferred Shares of such person or entity may not be exercised.

### ***Temporary Constraint on Issue and Transfer***

During the Temporary Period, First Preferred Shares may neither be issued, nor registered in the securities register of the Corporation as transferred, where such issue or transfer would result in a person acquiring a Significant Interest in the First Preferred Shares as a class.

### ***Declaration of Shareholder***

To facilitate the monitoring of compliance with the constraints on the issue, transfer and voting rights of the First Preferred Shares, the Board of Directors of the Corporation may, in certain circumstances, require any holder of First Preferred Shares to furnish a declaration as to matters relevant, in the opinion of the Board of Directors, to determine compliance with such share constraints.

### **Description of Common Shares**

Common Shares entitle the holders thereof to one vote per share at any meeting of shareholders of the Corporation. Holders of Common Shares are entitled to dividends, as and when declared by the Board of Directors of Great-West Lifeco, and are subject to the priority of payment of dividends attached to First Preferred Shares, the Class A Preferred Shares, the Second Preferred Shares and any other shares ranking senior to the Common Shares. After payment to holders of First Preferred Shares, Class A Preferred Shares, Second Preferred Shares and any other shares ranking senior to the Common Shares of amounts which they are entitled to receive in the event of liquidation, dissolution or winding-up of the Corporation, the remaining assets of the Corporation will be paid to or distributed equally among the holders of Common Shares, without preference or distinction.

### **Book-Entry Only Securities**

Securities issued in “book-entry only” form must be purchased, transferred or redeemed through participants (“**CDS Participants**”) in the depository service of CDS Clearing and Depository Services Inc. or a successor (collectively, “**CDS**”). Each of the underwriters, dealers or agents, as the case may be, named in a Prospectus Supplement will be a CDS Participant or will have arrangements with a CDS Participant. On the closing of a book-entry only offering, Great-West Lifeco may cause a global certificate or certificates representing the aggregate number of Securities subscribed for under such offering to be delivered to, and registered in the name of, CDS or its nominee. Except as described below, no purchaser of Securities will be entitled to a certificate or other instrument from Great-West Lifeco or CDS evidencing that purchaser’s ownership thereof, and no purchaser will be shown on the records maintained by CDS except through a book-entry account of a CDS Participant acting on behalf of such purchaser. Each purchaser of Securities will receive a customer confirmation of purchase from the registered dealer from which the Securities are purchased in accordance with the practices and procedures of that registered dealer. The practices of registered dealers may vary, but generally customer confirmations are issued promptly after execution of a customer order. CDS will be responsible for establishing and maintaining book-entry accounts for its CDS Participants having interests in the Securities. Reference in this Prospectus to a holder of Securities means, unless the context otherwise requires, the owner of the beneficial interest in the Securities.

If Great-West Lifeco determines, or CDS notifies Great-West Lifeco in writing, that CDS is no longer willing or able to discharge properly its responsibilities as depository with respect to the Securities and Great-West Lifeco is unable to locate a qualified successor, or if Great-West Lifeco at its option elects, or is required by law, to terminate the book-entry system, then the Securities will be issued in fully registered form to holders or their nominees.

### ***Transfer, Conversion or Redemption of Securities***

Transfer of ownership, conversion or redemption of Securities will be effected through records maintained by CDS or its nominee for such Securities with respect to interests of CDS Participants, and on the records of CDS Participants with respect to interests of persons other than CDS Participants. Holders who desire to purchase, sell or otherwise transfer ownership of or other interests in the Securities may do so only through CDS Participants.

The ability of a holder to pledge a Security or to otherwise take action with respect to such holder's interest in a Security (other than through a CDS Participant) may be limited due to the lack of a physical certificate.

### ***Payments and Notices***

Payments of principal, redemption price, if any, dividends and interest, as applicable, on each Security will be made by Great-West Lifeco to CDS or its nominee, as the case may be, as the registered holder of the Security and Great-West Lifeco understands that such payments will be credited by CDS or its nominee in the appropriate amounts to the relevant CDS Participants. Payments to holders of Securities of amounts so credited will be the responsibility of the CDS Participants.

As long as CDS or its nominee is the registered holder of the Securities, CDS or its nominee, as the case may be, will be considered the sole owner of the Securities for the purposes of receiving notices or payments on the Securities. In such circumstances, the responsibility and liability of Great-West Lifeco in respect of notices or payments on the Securities is limited to giving notice or making payment of any principal, redemption price, if any, dividends and interest due on the Securities to CDS or its nominee.

Each holder must rely on the procedures of CDS and, if such holder is not a CDS Participant, on the procedures of the CDS Participant through which such holder owns its interest, to exercise any rights with respect to the Securities. Great-West Lifeco understands that under existing policies of CDS and industry practices, if Great-West Lifeco requests any action of holders or if a holder desires to give any notice or take any action which a registered holder is entitled to give or take with respect to the Securities, CDS would authorize the CDS Participant acting on behalf of the holder to give such notice or to take such action, in accordance with the procedures established by CDS or agreed to from time to time by Great-West Lifeco, any Trustee and CDS. Any holder that is not a CDS Participant must rely on the contractual arrangement it has directly, or indirectly through its financial intermediary, with its CDS Participant to give such notice or take such action.

Great-West Lifeco, the underwriters, dealers or agents and any Trustee identified in an accompanying Prospectus Supplement, as applicable, will not have any liability or responsibility for (i) records maintained by CDS relating to beneficial ownership interest in the Securities held by CDS or the book-entry accounts maintained by CDS; (ii) maintaining, supervising or reviewing any records relating to any such beneficial ownership interest; or (iii) any advice or representation made by or with respect to CDS and contained herein or in any Trust Indenture with respect to the rules and regulations of CDS or at the directions of the CDS Participants.

### **Earnings Coverage Ratios**

Earnings coverage ratios will be provided as required in the Prospectus Supplement with respect to the issuance of Debt Securities or First Preferred Shares pursuant to such Prospectus Supplement.

### **Plan of Distribution**

Great-West Lifeco may sell the Securities (i) through underwriters or dealers, (ii) directly to one or more purchasers pursuant to applicable statutory exemptions or (iii) through agents. The Securities may be sold at fixed prices or non-fixed prices, such as prices determined by reference to the prevailing price of the Securities in a specified market, at market prices prevailing at the time of sale or at prices to be negotiated with purchasers, which prices may vary as between purchasers and during the period of distribution of the Securities. The Prospectus Supplement for any of the Securities being offered thereby will set forth the terms of the offering of such Securities, including the type of security being offered, the name or names of any underwriters, dealers or agents, the purchase price of such Securities, the proceeds to Great-West Lifeco from such sale, any underwriting discounts and other items constituting underwriters' compensation, any public offering price and any discounts or concessions allowed or re-allowed or paid to dealers. Only underwriters so named in the Prospectus Supplement are deemed to be underwriters in connection with the Securities offered thereby.

If underwriters are used in the sale, the Securities will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale, at market prices prevailing at the time of sale or at prices related to such prevailing market prices. The obligations of the underwriters to purchase such Securities will be subject to certain conditions precedent, and the underwriters will be obligated to purchase all the Securities offered by the Prospectus Supplement if any of such Securities are purchased. Any public offering price and any discounts or concessions allowed or re-allowed or paid to underwriters, dealers or agents may be changed from time to time.

The Securities may also be sold directly by Great-West Lifeco at such prices and upon such terms as agreed to by Great-West Lifeco and the purchaser or through agents designated by Great-West Lifeco from time to time. Any agent involved in the offering and sale of the Securities in respect of which this Prospectus is delivered will be named, and any commissions payable by Great-West Lifeco to such agent will be set forth, in the Prospectus Supplement. Unless otherwise indicated in the Prospectus Supplement, any agent is acting on a best efforts basis for the period of its appointment.

Great-West Lifeco may agree to pay the underwriters a commission for various services relating to the issue and sale of any Securities offered hereby. Any such commission will be paid out of the general corporate funds of Great-West Lifeco. Underwriters, dealers and agents who participate in the distribution of the Securities may be entitled under agreements to be entered into with Great-West Lifeco to indemnification by Great-West Lifeco against certain liabilities, including liabilities under securities legislation, or to contribution with respect to payments which such underwriters, dealers or agents may be required to make in respect thereof.

In connection with any offering of the Securities (unless otherwise specified in a Prospectus Supplement), the underwriters or agents may over-allot or effect transactions which stabilize or maintain the market price of the Securities offered at a higher level than that which might exist in the open market. These transactions may be commenced, interrupted or discontinued at any time.

Unless otherwise specified in a Prospectus Supplement, the Securities will not be registered under the United States Securities Act of 1933, as amended.
